## CONTENT

### LITERATURE REVIEW

**Dyachenko A. G., Gorobchenko K. M., Savinova E. V., Miroshnechenko E. A.**  
Intestinal homeostasis and HIV-infection (review)  
259

### THEORETICAL AND EXPERIMENTAL MEDICINE

**Zhyliuk V. I., Mamchur V. I., Lievykh A. E., Petruk N. S.**  
Cerebroprotective activity of piracetam under coadministration with hypoglycemic, antioxidant or antiplatelet drugs in experimental diabetes  
273

**Kucherivchenko M. A.**  
The effect of laproxides on blood serum phosphorescence intensity in subacute trial and its prognostic value  
283

Influence of iron nanoparticles on intestinal microflora of rats with iron deficiency anemia  
292

**Zilfyan A. V., Avagyan S. A.**  
Immunomorphological and morphometric characterization of central and peripheral organs of immunogenesis in mice under putrescine administration to experimental animals  
300

**Tsulun O. V.**  
Studying of reparative properties of a new combined ointment on thermal burn models in rats  
308
Absettarova A. I., Kakura S. I., Oleynikova O. K., Pikaluk V. S., Bessalova Ye. Yu.
Cerebrospinal fluid as an environment with radioprotective properties

Zilyan A. V., Avagyan S. A.
Shifts in content of interleukins IL-1 alpha, IL-2, IL-6 and gamma-interferon, prolactin and insulin-like growth factor in organs of immunogenesis under the conditions of putrescine administration to experimental animals

**CLINICAL MEDICINE**

Kravchun P. G., Mykhailova Yu. O., Lapsina L. A.
Cystatin C – a marker of renal and myocardial dysfunctions in patients with ischemic heart disease Associated with initial stages of chronic kidney disease

Tarasova I. V., Turova L. O., Kasian S. M., Shvydun K. O.
Contents of cobalt, nickel and lead in the “mother-placenta-fetus-newborn” system under physiological conditions

Tymchenko O. I., Koba O. P., Mykytenko D. O., Maksiyan O. I., Lynchak O. V.
The prevalence of risk factors among infertile couples in the Chernivetsky region over time

Diaa Kareem Abd-Ali, Halima Yusuf Al-Rubaiyee
The impact of social and economic factors of patients on their adherence to medications after ischemic heart disease in Al-Najaf City

Kasianova A. Yu., Lebid I. G.
Medical and psychological features of quality of life of young adults after congenital heart surgery

© Sumy State University, 2014
Orlovskyi V. F, Hordina M. A., Orlovskyi O. V., Skoropad Yu. I.
Association between hypovitaminosis D and metabolic syndrome in obese patients with coronary heart disease

Yazykov O. V., Leonov V. V.
Evaluation of the effectiveness of surgical treatment of benign breast diseases
